

# Noah Goodhart

Fort Collins, Colorado | goodhartnoah@gmail.com

(720)-323-4366 | <https://www.linkedin.com/in/noahwgoodhart/>

- 
- Passion for outdoor recreational sustainability, collaboration, and setting and achieving goals.
  - Considerable experience with group environments, problem-solving, and volunteer work.
  - Eager to begin a professional career and gain real-world experience by applying knowledge learned through education, my Eagle Scout rank, and previous work experience.

## Experience

Ecosystems Science and Sustainability Major, CSU

- Gained field experience during my Natural Resource Ecology and Measurement class at CSU's Mountain Campus 2023.

Eagle Scout, 2018

- Actively participated in many outdoor Eagle projects including trail restoration, fence building, shed construction among other projects. Learned to use power tools and follow construction plans.

Receiving Staff and Customer Service | August 2024-Current

Employer: Colorado State Bookstore

Liquor Store Stocker and Cashier | July 2022-December 2022

Employer: Supermarket Liquors

- Both jobs at the CSU Bookstore and Supermarket Liquors required a positive and upbeat attitude. Worked multiple positions at both jobs, being seen by employers as a hard-working and dependable employee.

Pizza Delivery Driver / Prep / Pizza Maker | November 2020-November 2021

Employer: Totally 80's Pizza and Museum

- Began as a delivery driver. Through eagerness and initiative, was quickly moved up to kitchen prep, cook, and cashier.
- Dependability, positive attitude, and friendliness towards customers were keys to success in this position.

Pool Maintenance | Summer of 2018, 2019 and 2020

Employer: All-Star Pools

- Responsible for the upkeep and management of residential and private swimming pools. Position required key attention to detail, memorization, discipline, and strong customer service skills.
- Proficient in balancing chemicals for pools, and knowledgeable about the upkeep of the plumbing systems.

## Education

Bachelor of Science, Ecosystem Science and Sustainability

Colorado State University (CSU), Fort Collins, CO

Anticipated Graduation Date: May 2025
